EDUCATION

VIT Bhopal

Master's in Computer Application

- GPA: 8.6g

July 2024 - April 2026

Bhopal, Madhya Pradesh

Vidhya Bhawan, MLSU

Bachelor's in Computer Application

- CGPA: 7.6

August 2021- June 2024

Udaipur, Rajasthan

Central Public School

Secondary Education

- CGPA: 6.9

April 2019- March 2021

Udaipur, Rajasthan

EXPERIENCE

Software Associate

Saevah

June 2023 – Feb 2024

Udaipur, Rajasthan

- Quality and functionality tested on the website, ensuring a seamless user experience.
- Performed website quality and functionality testing to deliver a seamless user experience.
- Analyzed user interaction and website performance to assess engagement and goal effectiveness.

PROJECTS

Employee Management System

June 2025

Technologies used: React.js, Node.js, Express.js, PostgreSQL, RESTful API, CORS

- Built a full-stack EMS with CRUD for employee/departments, attendance, and leave tracking.
- Implemented secure authentication using bcrypt password hashing and session-based login.
- Used PostgreSQL for structured relational data storage and efficient handling of records.
- Developed a responsive React.js front-end with search, validation, and smooth navigation.

Travel Website

February 2025

Technologies used: HTML, CSS, JavaScript, GSAP, Node.js, Express.js, PostgreSQL

- Built a dynamic travel website with interactive features and smooth user experience.
- Incorporated GSAP animations for interactive UI.
- Implemented Mailchimp API for newsletters.
- Used PostgreSQL to manage and dynamically update travel packages in real time.
